

# ARAGON PRO-13 PLUS

Kit electrónico de enganche de remolque  
Electronic kit for towbars  
Faisceau électronique de remorque  
Elektro-satz für Anhängerkupplungen  
Kit elettronico di gancio traino  
Kit eletrônico de engate de reboque  
Электронный комплект для фаркопов

Ref.: KAJ13P0

- ES** Instrucciones de montaje de kit electrónico de 13 polos de acuerdo a Norma DIN/ISO 11446. El montaje inapropiado o efectuado por personal no cualificado supone la pérdida de la garantía, de todo derecho a la indemnización y la expiración de toda responsabilidad civil respecto del producto.
- GB** Fitting instructions of towbar wiring kit with 13 pins socket according to DIN/ISO Norm 11446. The improper assembly or the fitting done by an unskilled person will automatically result in cancellation of the guarantee, the loss of any right of indemnity and the expiration of all product liability.
- DE** 13 Polige Montageanleitung für elektronische gemäß DIN / ISO 11446. Eine unsachgemäße Montage durch nicht qualifiziertes Personal bedeutet den Verlust der Garantie, des Anspruchs auf Entschädigung und den Ablauf jeglicher zivilrechtlicher Haftung in Bezug auf die Produkt.
- FR** Notice de montage du faisceau électronique pour attelage de remorque avec prise du 13 plots conforme à la Norme DIN/ISO 11446. Une mauvaise installation ou celle effectuée par personnel non qualifié signifie la perte de la garantie, tout droit à indemnisation et à l'expiration de toute responsabilité civile sur le produit.
- IT** Istruzioni per l'installazione del kit elettronico 13 poli a norma DIN/ISO 11446. L'assemblaggio inadeguato o eseguito da personale non qualificato significa la perdita della garanzia, qualsiasi diritto al risarcimento e alla scadenza di ogni responsabilità per il prodotto.
- PT** Instruções de instalação de kit eletrônico 13 pólos de acordo com DIN/ISO 11446. O montagem inadequada ou executados por pessoal não qualificado significa a perda da garantia, qualquer direito de indemnização e do termo de qualquer responsabilidade para o produto.
- RU** Инструкция по установке универсального комплекта Электронный с 13-ми контактной розеткой в соответствии с нормой 11446 DIN/ISO. Некорректная установка или установка выполненная неквалифицированным человеком влечет за собой отмену гарантии и отказ от компенсации издержек связанных с продуктом. В случае выхода из строя задних сигналов поворота, модуль автоматически перенесет функцию на соответствующий габаритный фонарь.

**Test de compatibilidad electromagnética (EMC) de acuerdo a Norma ECE N°10, R05 - EMC Tested according to ECE Nr.10, R05**
